

The Oldz Hardy Saloon...

No visit to Hardy or **The Ozark Classic Crafts Mall** is complete without a photo 'shootin' session at The Oldz Hardy Saloon. Visitors and guests are invited to dress in old western styled regalia for a unique photo op.

For the Desperados we have dusters, six shooters, rifles and cowboy hats. For the Damsels in distress, we have fine period gowns to delight and provoke the proverbial 'bar room brawl'. Children are also able to be dressed out for a wonderful family memory of your visit to 'Historic Oldz Hardy Townz'.

Allow your imagination to wander into the Old West during your visit in **The Ozark Classic Crafts Mall**.

If you're coming to visit the 'Saloon', please call ahead for times of operation or to make an appointment.

The Oldz Hardy Saloon is operational from mid-March thru Christmas.
